

GLASSES NOS. 60A, 61A AND 62A

* [NOTE:- As this Instruction has been completely revised, individual paragraphs have not been "starred"]

1. **Use.** The use of these glasses is apparent from the inscription "THERE IS ANOTHER CALL OFFICE IN THE POST OFFICE", which is fired in white on the outside surface of the glass. (Some early supplies had red lettering.)

Glasses No. 60A are for use in Kiosk No. 2

" No. 61A " " " " " " No. 3

" No. 62A " " " " " " No. 6

No provision of these glasses is made for Kiosk No. 1.

2. **Fitting.** The glasses are fitted in the same way as ordinary glass. They should always be fitted into the door in the following positions:-

In Kiosk No. 2 or 3 - in the second central panel downward from the top.

In Kiosk No. 6 - in the third central panel downward from the top.
