Inland calls

Direct dialling

Same exchange numbers - dial only local number.

Other exchange numbers - dial appropriate code*, if any, then local number.

All figure numbers - dial all the figures.

*See list or call operator.

Operator services

Operator - dial 100

Directory enquiries - dial 192

Other enquiries - dial 191

International calls

Direct dialling

Most countries in Europe, America and North Africa can be dialled direct, eg for a number in Belgium, Brussels (02) 99 21 11

dial 010	32	2	99 21 11
International prefix	Country code for Belgium	Area code for Brussels minus "0"	Local number

*For area codes beginning with "0" direct dial the "0" except for calls to Andorra and the USSR when the "0" must be dialled. For calls to Finland, Iceland and Spain, initial "0" of the area code must not be dialled.

Operator services

Operator, directory enquiries and other enquiries - see list or call inland operator.
