

To make a Call

For calls you can dial

Put four Pennies in the box (**not** 6d or 1/- coins)

Lift Receiver and listen for Dial Tone (continuous purring)

Dial Number or Code and Number

When someone answers, press button **A** to speak

If you cannot get through,
press button **B** to get your money back

Telephones in **London** have all-figure numbers beginning **01-**

They do not have exchange names

To call a **London** number dial only the last seven figures,
those after the hyphen

Do not dial the 01-

e.g. for **01-222 2870** dial **222 2870**

The list on the right shows the figures which
have replaced exchange names

To call a number on an exchange in the following list
first dial the code shown, and then the number
